PROFESSIONAL EXPERIENCE

Iyara Labs, Dubai, UAE (AI agency improving brand visibility in AI search)

May 2026 – Present

Co-Founder

- Built the client pipeline from zero, sourcing 10+ clients through AI-industry conferences and direct outreach to founders, VCs, and partners.
- Architected a 100+-marker tool auditing brand citation across Google, Perplexity, Claude, and ChatGPT to pinpoint what suppresses it.
- Own GTM across strategy, email, and social, driving outbound into Texas and Northeast US; launched a UK referral partnership with DaitaFix.

Trussme, Dubai, UAE (creative content and media agency; clients include EMAAR)

December 2025 – April 2026

Lifecycle Marketing Manager

- Led a 4-person email team across 10+ B2B/B2C clients, hitting 40%+ open rates and 6% CTR on 36 of 42 campaigns.
- Lifted email MQLs 30% and SQLs 25% with dual-purpose Lovable landing pages, custom-coded trackers, and Zapier-automated lead pipelines.
- Built a live client dashboard and automated bounce/campaign reporting on Cloudflare Workers for the 10+-client roster.

Bloodrec, New York, USA (AI healthtech)

December 2024 – December 2025

Founding Marketing Manager, Product & Growth

- Launched GTM from zero as first marketing hire, driving 2,885+ active users in week one organically and 10,000+ in year one.
- Cut homepage bounce rate under 50% by simplifying content and streamlining the user experience.
- Lifted report uploads 20% through GA4-instrumented A/B tests on landing page messaging.

Armada AI, Seattle, USA (M12/Microsoft-backed Series B, \$250M+ raised)

May 2024 – September 2024

Product Marketing Manager

- Lifted conversions 25% as sole marketing hire, overhauling site content and UX with GA4, GTM, and SQL data across product and engineering.
- Drove 150 leads to key landing pages through targeted email, with user research in Amplitude, HubSpot, and Adobe Analytics reported in Tableau.
- Produced enterprise sales assets, including an Armada Edge video that lifted conversion 20% and supported public-sector deal closes.
